Dear Sirs;

We have been in correspondence with Mr. N. Bradley Litchfield of the FEC General Counsel's Office about the advisability of registering the MSSA Political Committee as a Federal PAC. As a result of Mr. Litchfield's advice, we have decided to seek registration of the MSSA Political Committee with the FEC as quickly as possible.

Attached is the FEC FORM 1, STATEMENT OF ORGANIZATION, completed with the information about the MSSA Political Committee. We hope you will assign us a registration number as quickly as possible and return that number to us via fax.

We are sending this letter and FORM 1 via fax to expedite the process, with the originals committed concurrently to First Class Mail. We hope that you can accomplish the registration from the fax copies and get our registration number to us by return fax.

In any case, please also mail us the necessary reporting forms so that we can report whatever activity requires reporting. Please send whatever publications describe just what activity we are required to report.

Thank you very much for your assistance.

Sincerely yours,

Gary S. Marbut
